

APRIL 2025 VOLUME 25 ISSUE 4

# IVINS CITY NEWSLETTER

## This is a Test

BY MAYOR CHRIS HART

On Thursday the 17th of April, the State of Utah will hold its “Great ShakeOut,” an annual emergency response drill that is used to access the disaster response capabilities across the State. For the last few years we have held our own “Go to the Box” drill in conjunction with that event. Those drills have provided an opportunity for our residents to become familiar with the Disaster Hub Boxes that we have interspersed throughout the city. They were designed to function as a communication center following an actual disaster. Each Box is equipped with materials and instructions to facilitate neighborhood injury and damage assessments and a radio to report the findings to the City’s Emergency Operation Center. The radios can also be used to receive instructions from Public Safety personnel on how to help stabilize the situation until professional first responders can make it to the scene.

We as a City have invested considerable time and resources preparing for a future large scale emergency event. Our Emergency Response Plan is well developed and regularly reviewed by our Public Safety personnel, but our involvement as individual residents has been limited to visiting with our Emergency Preparedness Committee members during our Heritage Days celebrations and going to the Disaster Hub Box once a year during the Great ShakeOut drill.

This year’s drill is an especially important one. Our Public Safety radio specialists and volunteer experts have tested our communications system each year to work out the bugs and add to its capacity. This is the year that Chief Studley and Chief Cazier have asked the community to commit to participate so they can fully test the capabilities of the completed system.

You can help by simply going to the nearest Disaster Hub Box mounted on a signpost or wall near your home at 6:00 P.M. on Thursday evening, April 17th. Do not wait for the siren to sound! When you arrive, open the Box then read and follow the instructions inside. With that accomplished it is critical that you activate and test the radio in an effort to establish communication from your box. If the system functions properly you will contact an Area Coordinator who will ask you to report your location that is printed in code on the side of the Hub Box, provide a count of those who came to the box as part of the drill and explain any issues you may have had in making radio contact.

It is our hope that you, our residents, will turn out in large numbers so that many of you can learn the functions of the Hub Box and become comfortable using it. Having witnessed the recent disasters in California and other parts of the country we all ought to have a clear sense that it CAN happen here, and that to the extent we can we ought to be prepared for such an event.

## Meeting Dates:

Planning Commission: (5:30 p.m.)

April 1 and April 15

City Council: (5:30 p.m.)

April 3 and April 17

Blucan Dates:

April 7 and 21

Dumpster Date:

April 12

In the aftermath of a real disaster event, getting to the box, following the instructions inside and reporting your findings could save our Public Safety personnel valuable time by providing them with helpful information when normal communication systems have been compromised, the 911 system has been overwhelmed, human and mechanical resources have been stretched thin and stress levels are at their highest.

With the added help of our growing Community Emergency Response Team (CERT) assisting at the Boxes during such an event, the potential to provide relief to those who may have been injured and stabilize the scene improves dramatically. The Hub Box system can literally function as a triage tool assisting professional medical personnel and others to prioritize their responses and give instructions to those able to administer first aid and provide other relief.

We owe a debt of gratitude to David Williams and the members of our Emergency Preparedness Committee who have worked hard over a span of years to implement our extraordinary plan. If the day ever came (God forbid) when disaster struck, their efforts could have life and property saving consequences. I'm also deeply grateful to our SCI Police Chief Jaron Studley and Fire Chief Dan Cazier for their help in developing our Emergency Response Plan and their support of our volunteer efforts associated with the Disaster Hub Box. Special thanks also to Nick Hallman from SCIPD for his expertise and persistent help with the radio system and Con Fulde from SCIF&R for his consistent help as well.

**SO REMEMBER, ON THURSDAY, APRIL 17TH AT 6:00 P.M., WITHOUT HEARING A SIREN, GO TO THE DISASTER HUB BOX NEAREST YOU AND FOLLOW THE INSTRUCTIONS INSIDE TO INSURE THAT THIS IMPORTANT TEST OF OUR DISASTER RESPONSE SYSTEM WILL BE A SUCCESS.**

# APRIL AGENDA ITEMS

The following are some of the topics that may be discussed at the April Planning Commission and City Council meetings. This is not a complete list and the complete agendas will be posted on the website, [www.ivinsutah.gov](http://www.ivinsutah.gov), a few days prior to the meetings. Agendas may be amended up to 24 hours prior to a meeting. Check the website the day before the scheduled meeting for the final agenda items to be discussed. If you have questions regarding agenda items on the Planning Commission, please call or email Sharon Allen at 435-628-0606 or [sallen@ivinsutah.gov](mailto:sallen@ivinsutah.gov). If you have questions regarding agenda items on the City Council, please call or email Kari D. Jimenez at 435-628-0606 or [kjimenez@ivinsutah.gov](mailto:kjimenez@ivinsutah.gov).

## Planning Commission, April 1, 2025

- Public hearing, discussion & consideration of Class IV Conditional Use Permit for temporary construction trailers at Black Desert Resort.

## Planning Commission, April 15, 2025

- Discuss & consider Circle Cliffs Amended Preliminary Plan.

## City Council, April 3, 2025

- Public hearing, discussion & consideration of Planning Commission's recommendation to approve a Zoning Amendment from RA-1 (Residential Agricultural 1 acre) to R-!-7.5 (Residential Single Family 7500 square feet) on approximately 5 acres located at approximately 200 West and 200 South.
- Public hearing, discussion & consideration of Planning Commission's recommendation to deny a Zoning Text Amendment to the Table of Uses allowing moving trucks and trailer rentals.
- Arts Commission report, discuss and consider approval of the Arts Commissions selection for art-on-loan.
- Discuss & consider approval of a Resolution appointing an Arts Commission member.
- Discuss & consider approval of Resolution appointing a Building Official / Interim Zoning Administrator and Building / Zoning Department Head.
- Discuss & consider Ordinance amending Title 14 of the Ivins City Code entitled "Building & Construction" to update applicable Building Codes.
- Discussion regarding the Planning Commission's recommended Ivins City Annexation Policy Plan & Map.

## City Council, April 17, 2025

- Public hearing, discussion & consideration of Planning Commission's recommendation on the Ivins City Annexation Policy Plan & Map.
- Presentation & discussion on Tentative Budgets for FYE 25 and FYE 26.
- Discuss & consider process for appointing Planning Commission members.

# SCHOOL UPDATES

## RED MOUNTAIN ELEMENTARY

JENNIFER LEAVITT - PRINCIPAL

Kindergarten registration for the 2025–2026 school year is open. Please go to the district website, [washk12.org](http://washk12.org), to register your child.

If you have a child entering kindergarten at our school next year we would like to invite you to our Kindergarten Kick Off on Thursday, April 24th at 6:00 p.m.. We will share information about kindergarten and provide your child with a packet of resources.

Please join us for a retirement open house for Cheryl Hutchings and Kara Perry on Friday, May 2, from 1:00–2:00 p.m. We are so grateful for the positive way they have supported our students over the years.

### Upcoming Events:

April 10: Kindergarten and 5th Grade Graduation pictures

April 18 & 21: Easter Break

## IVINS COMMUNITY CORNER – FAQ’S

Is the waste in the recycling bins recycled or does it just end up in the landfill?

Recyclable waste collected from the blue curbside cans and from the tan community binnies are brought to a special fenced staging area on the landfill property. This staging area is a transfer station where the collected recycling is loaded onto a semi-truck and transported to a special Materials Recovery Facility (MRF) in North Las Vegas to be recycled there. Fun fact: We transport approximately 12-36 tons of recyclable waste every weekday from our transfer station.

How to dispose of hazardous waste, and what qualifies as hazardous waste?

We are not able to accept hazardous waste at the Washington County landfill. However we do offer hazardous waste days twice a year for residents. (usually in April and October). Some hazardous waste examples are, but not limited to, paint, gasoline, pesticides, propane, cleaning and yard chemicals, etc. We recommend taking used oil to any auto parts store for disposal. \*\* This year it is April 12th and October 11th from 8am to noon at the Washington County Landfill.

# HEALTHY IVINS

## Gastrointestinal (GI health)

Gastrointestinal (GI) health is essential for everyone, from seniors to young children, as it affects digestion, nutrient absorption, and overall comfort. Maintaining a healthy GI system involves eating a diet rich in fiber from fruits, vegetables, and whole grains, which can promote regular bowel movements and prevent issues like constipation and diverticulitis.

- **Probiotics** found in yogurt and fermented foods can also support a healthy gut microbiome, which is crucial for digestion and immune function.
- **Staying hydrated** by drinking plenty of water is key to supporting digestion and preventing dehydration-related GI issues.
- **Regular physical activity** and stress management also play vital roles in promoting a healthy digestive system.

For those with specific dietary needs or GI conditions, such as IBS or lactose intolerance, finding suitable food options and consulting with a healthcare provider or nutritionist can make a significant difference in maintaining GI health.

THE HEALTHY IVINS COALITION

## UPCOMING PREPAREDNESS SEMINARS

May 8: Grab and Go 72 Hours Kits  
June 12: Earthquake; Be Ready!

### IVINS DISASTER PLAN: Go to the Box!

Ivins City volunteer Emergency Preparedness Committee organizes these seminars for the second Thursday of each month in an ongoing citywide initiative to better prepare its citizens and neighborhoods for any emergency or disaster. For more information, email [ivinsutahcert@gmail.com](mailto:ivinsutahcert@gmail.com).

Upcoming events are announced in the Ivins City online newsletter.

## Ivins Inspired Seminar – Connecting with Your Community via Technology

Coming to Ivins City Hall Chambers this May!  
Learn how to better connect with your Ivins community using the latest technology.

**Details Coming Soon!**

Stay informed and get involved with Ivins Inspired!

# Celebrating the Heart of Ivins: Honoring Our Incredible Volunteers

As proclaimed by Mayor Chris Hart and the Ivins City Council, April 2025 is National Volunteer Month in Ivins City. Our community thrives on the dedication and generosity of its volunteers, whose contributions shape the strength, beauty, and unique character of our city.

Ivins Inspired was created to foster connection, growth, and collaboration, recognizing the extraordinary blend of place and people that make Ivins special. One of its core initiatives is the Ivins Inspired Volunteer Program, which connects residents with meaningful opportunities to serve. Volunteerism is a powerful force for building community, deepening relationships, and strengthening the shared values that make Ivins an exceptional place to live.

The impact of Ivins volunteers cannot be measured in dollars—their generosity creates a ripple effect, strengthening our community with every act of service. Across the city, volunteers dedicate their time to a diverse range of initiatives that reflect Ivins’ passions and needs, from enriching arts and culture through the Ivins Arts Commission, Tuacahn Amphitheater, and Kayenta Performing Arts Center, to promoting health and wellness through the Healthy Ivins Coalition and Ivins City Parks and Recreation. Others devote themselves to youth empowerment through the Ivins City Youth Council and the Miss Ivins Pageant; environmental stewardship through the Desert Preservation Initiative and Open Space Committee, and community beautification through litter control efforts like Angels Lessening Litter in Ivins (ALLIs). Our emergency preparedness is strengthened by the work of the Community Emergency Response Teams (CERT) and the Emergency Preparedness Committee, while groups like the Moderate Income Housing Committee, Ivins Inspired, and Defenders of Greater Ivins (DOGI) work to anticipate and support our city’s future. The collective impact of these individuals and organizations makes Ivins a vibrant and resilient place to call home.

## Honoring Our Volunteers: A Special Video Tribute

To further celebrate the incredible impact of our volunteers, City Council Member Sharon Barton proposed the idea of creating a special video to honor those who dedicate their time and talents to Ivins. While we have chosen to highlight a few of our local volunteers, we also recognize and deeply appreciate the many individuals and groups whose contributions make Ivins extraordinary.

*Thank You*

This project will feature Jo Anne Parkes, who has volunteered at Tuacahn for 30 years, ensuring every performance is welcoming and magical; Chuck Warren, founder of the Desert Preservation Initiative, leading efforts to protect Ivins’ stunning landscapes; the Ivins City Youth Council, inspiring young leaders to engage in civic service; the Ivins City CERT Team, dedicated to emergency preparedness and community resilience; Frankie Fleming, who exemplifies the power of small actions by tirelessly picking up litter to keep Ivins beautiful; and Jennifer Horne, organizer of the Miss Ivins Pageant, who empowers young women through service, leadership, and community engagement.

## Join Us for the Video Premiere!

This special Volunteer Tribute Video will be shown at the April 3rd Ivins City Council meeting at 5:30 PM. This heartfelt tribute will showcase the diverse ways residents contribute, the positive changes they create, and the spirit of unity they foster. Join us as we honor the remarkable individuals who make Ivins a stronger, more connected community!

The Mayor and City Council extend their deepest gratitude to all who give their time and talents to Ivins. Ivins Inspired is honored to work alongside such dedicated individuals, and we encourage everyone to recognize, support, and celebrate these remarkable volunteers.

## Want to Get Involved?

The Ivins Inspired Volunteer Program is always welcoming new participants! Sign up to volunteer today by filling out our volunteer interest form: [🔗 Volunteer Form](#)

Visit the Ivins City website for more information on how to get involved. Together, we can continue to build a stronger, more connected Ivins—one volunteer at a time.

# PARKS AND RECREATION

## A message from the Parks and Recreation Director

This year, Ivins City is excited to announce the return of the Ivins City Community Garden! This revitalized space represents more than just fresh produce, it's a place where friendships grow alongside the plants, and neighbors come together to nurture something special.

In celebration of this effort, the Heritage Days committee has chosen a fitting theme for this summer's event: "Planting Seeds, Harvesting Community." It's a reminder that the work we put into our community, whether it's planting in the garden, volunteering at events, or simply supporting one another, helps create a stronger, more connected Ivins.

We're incredibly grateful for the beautiful community we call home. Thank you to all who make Ivins such a wonderful place to live, work, and play. Let's keep planting the seeds of kindness and togetherness. The harvest will be worth it!

— Marc Christensen, Parks and Recreation Director

## EASTER FUN!!!

### 2025 Hog and Jog 5K Fun Run

Date: Saturday, April 19, 2025 at 8:00 a.m.

Come out to the Hog and Jog Family Fun Run and join in the festivities. With music on the course and Hog and Jog Selfie Stations, you'll be able to celebrate and run at the same time! Register at [www.hogandjog5k.com](http://www.hogandjog5k.com)

### Easter Egg Scramble

Date: Saturday, April 19, 2025 at 9:00 a.m., after the Hog & Jog 5k

Location: UNITY Park (200 W 400 S) on the large baseball/soccer field. All participants must provide their own Easter basket.

The divisions for this year will be:

Division 1 - 4 years old and under

Children in Division 1 must have the ability to walk and pick up eggs without assistance from parents; however, one parent may be in the hunting area with their child to give guidance and direction.

Division 2 - Ages 5, 6, 7 and 8

Division 3 - Ages 9, 10, 11 and 12

Get the latest on city updates and exciting new events by following our Facebook page, Ivins City Parks and Recreation – Public Works!

### Youth Summer Tennis Camp

A fun and organized tennis camp that offers youth the opportunity to explore skills and fundamentals of tennis in a nonjudgmental, positive environment.

Come join us! Taught by local tennis pro Stephanie Judd.

Monday, June 2 – Thursday, June 5

Little Ace: 8 a.m. - 8:45 a.m. (for ages 5-9)

Big Ace: 8:45 a.m. - 9:30 a.m. (for ages 10-13)

Advanced: 9:30am-10:15 a.m. (for ages 14+)

UNITY Park Tennis Courts

\$65/participant

Register online at [ivins.recdesk.com](http://ivins.recdesk.com) under PROGRAMS or in person at City Hall

## NOW REGISTERING

### Baseball Registration

2025 Ivins T-Ball (ages 5&6) and Rookie (coach pitch – ages 7&8)

**REGISTRATION NOW OPEN**

Register online at [ivins.recdesk.com](http://ivins.recdesk.com) or in person at City Hall!

## Bingo in the Park

It's not spring without Bingo in the Park!

Location: Ivins City Park West Pavilion

Dates: Tuesdays/Thursdays - April 1st – April 24th

Time: 5:00 p.m. - 5:45 p.m.

**FREE**

Regular prize bingo from 5-5:30 p.m. and special grand prize round from 5:30-5:45 p.m!

Prizes and GRAND prizes from Harmons, Digby's, Tuacahn, FeelLove, Arctic Circle, Jersey Mikes, MoBettahs, Culvers, Chick-fil-a, Costa Vida, Pizza Hut and MORE! If your business would like to donate prizes, please contact the Parks and Recreation Dept.

## Concerts in the Park

Mark your calendars! We're looking forward to holding more fun spring nights listening to some amazing local talent!

### Schedule:

Friday, May 2nd, Fast Eddie

Friday, May 9th, Runaway Fire

Concerts start at 7pm @ Ivins City Heritage Park

Come early for food trucks!

# PUBLIC SAFETY

POLICE LINE DO NOT CROSS

POLICE LINE DO NOT CROSS

## April is the National Distracted Driving Awareness Month

At some point, everyone is a pedestrian. Unfortunately, pedestrian injuries and fatalities remain high. According to the National Highway Traffic Safety Administration, more than 100 people die each day in traffic crashes. As part of its efforts to prevent distracted driving and enhance road safety, the U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA) reminds drivers to prioritize safe road practices and avoid distractions while driving with this clear message:

### Don't Drive Distracted. Eyes Forward.

**Distracted driving**, which involves cellphone use or any activity that takes attention away from the task of driving, is risky driving behavior that endangers everyone on the road.

Distracted driving can be prevented, drivers can prioritize safe driving by keeping their hands on the wheel, their eyes on the road, and their focus on driving, and by following these steps for a safe drive:

- If a text message is expected or needs to be sent and can't wait, the driver should pull over and park their car in a safe location before using the phone.
- Ask a passenger to be the "designated texter," and give them access to your phone to respond to calls or messages.
- Do not engage in social media scrolling or messaging while driving.
- Listen to your passengers: If they see you texting while driving and tell you to put your phone away, put it down.
- Cell phone use is habit-forming. If struggling to not text and drive, drivers can activate their phone's "Do Not Disturb" feature, silence notifications, or put their phone in the trunk, glove box, or back seat of the vehicle until they arrive at their destination.

Cell phone use while driving is dangerous. Break the cycle. Remember: Don't Drive Distracted. Eyes Forward. Help save lives and be an example to others by committing to that message. For more information, visit [www.nhtsa.gov/campaign/distracted-driving](http://www.nhtsa.gov/campaign/distracted-driving)

## Animal Control

### ADDRESS:

474 N 200 W

IVINS, UTAH 84738 | PHONE: 435-628-1049

ANIMAL CONTROL/ SHELTER MANAGER:

MACKENZIE PETERSON

Spring has officially arrived! Everyone, including our four-legged friends, is eager to get outside and enjoy the beautiful weather. Please remember that our cities have a leash law that requires all animals to always be on a leash, including in the parks.

However, Fire Lake Park in Ivins City is the only exception where NO DOGS ARE ALLOWED. Please help to keep Fire Lake Park free of admission fees by keeping your pets safely at home. Several signs are posted throughout the area to remind everyone of this rule. Officers will be patrolling to ensure everyone's safety. Thank you for your cooperation!

# PUBLIC WORKS

## AT YOUR SERVICE, PUBLIC WORKS

Charles Gillette, P.E., Public Works Director and City Engineer

What is the most essential service that is provided by the City? I have heard several make the case that the Public Safety Department, i.e. Police, Fire, EMS, is the most important. It is not easy to argue against that. Having a solid Public Safety Department is certainly a bedrock important service of the City. But I think I can safely argue that the services provided by the Public Works Department are at least equally important. The difference might be that this service is provided silently. As long as everything is working, people seem to forget that there is a great effort being made in providing these services.

I'd just like to remind curious minds of the services that are provided by Ivins City Department of Public Works and why they are important.

### CULINARY WATER SYSTEM

We provide a clean and safe drinking water supply pressurized direct to your spigots and taps. We maintain pipelines, fire hydrants, water tanks and pump stations to make sure that you can enjoy a near interruption free service. The system requires significant maintenance, leaks must be fixed, pumps and meters need to be in good working condition. It is well understood how vitally important this service is. Without water we have nothing but a dry desert. But please be conservation minded (to use a good scout term) and use it sparingly.

### STREETS AND SIDEWALKS

The department maintains more than 58 miles of paved streets. These are the streets and sidewalks that we all use to get to the places that we need to be in a safe and efficient manner. The streets must be swept and sealed. Sidewalks need trip hazards removed and accessible to those with disabilities. It is another undisputable essential service.

### SEWER SYSTEM

We provide a sewer collection service to whisk away your wastes so that you don't have to worry about what happens to it. We maintain more than 65 miles of pipelines that pass through 1,400 manholes. The sewer waste is sent many miles to the City of St George Water Recycling Plant in Bloomington, where it can be recycled and reused for irrigation. We check the lines to make sure they are clear of blockages. We also clean the pipes periodically, especially when we find ones that are partially blocked. The system is simply indispensable. Please don't flush anything that will cause problems in the system like excessive oils and grease, trash, or caustic chemicals.

### CITY ENGINEERING & INSPECTION

We also provide services that develop standards and specifications that ensure that new projects and subdivisions are built to last and to the maximum benefit of the taxpayers.

### STORM DRAIN/FLOOD PROTECTION SYSTEM

We have a complex network of more than 35 miles of drainage piping ranging in size from 12-inch diameters to 72-inch diameters. There are nine dams that provide flood protection around the Red Mountain and Red Cliffs. These facilities protect our properties and make sure that our roads do not get washed out in the event of major storms. Even with all this infrastructure, we do still flood from time to time and not everyone's properties will be unscathed by these floods, but without these facilities, the flood risk would be unbearable.

Now that is only the Public Works Department of the City. Don't forget that there are many other services that are provided by other departments of the City. We already mentioned Public Safety, but we can't forget parks, recreation activities, building inspection, development permitting, code enforcement, city planning, garbage collection (in cooperation with the County), and bus service (in cooperation with Suntran). Then also don't forget that we receive some other essential services from private companies such as Rocky Mountain Power, Dominion Energy, CenturyLink and TDS and other communication companies. I can't imagine our city having to do without any of these services.

# PUBLIC WORKS

## Household Hazardous Waste Collection Day Washington County Landfill

Event: Household Hazardous Waste Collection Day  
Cost: Free (Wash. Co. Residents)  
Date: April 12, 2025 Time: 8:00am – 12:30pm  
Location: Washington. Co. Landfill  
325 N Landfill Rd, Washington, UT 84780

Washington County Solid Waste District (WCSW) is hosting the first of two Household Hazardous Waste Collection Days for 2025 this April 12th. WCSW encourages residents to take advantage of this opportunity to remove this material conveniently from their homes. Residents may bring in their hazardous material to the Landfill to be disposed of properly or recycled. This is free of charge for any resident of Washington County.

### ITEMS ACCEPTED:

Aerosol Cans	Medical Waste	Pesticides
Car Batteries	Oil	Propane
Fluorescent Light Bulbs	Paint	Rechargeable Batteries
Fuel	Paint Thinners	Tires
Herbicides	Paint Supplies	

## CONSTRUCTION UPDATES

**Old Highway 91 – Phase 2:** Construction has begun on the second phase of the Old Highway 91 project from Kwavasa Drive to Fire Lake Park. This phase includes resurfacing the existing roadway, adding bike lanes on both shoulders, completing the remaining sections of the trail from Phase One, installing a sewer line, and upgrading intersections at Anasazi Road, Kayenta Parkway, and Fire Lake Park.

The project is expected to continue through August 2025. While some mild to moderate disruptions are anticipated, efforts will be made to minimize impacts. At times, traffic may be reduced to a single lane, but delays are expected to be brief and kept to a minimum.

Significant disruptions to the trail and bike access are anticipated along this section of the corridor. For safety reasons, both the trail and bike lanes will likely remain closed for the duration of the project.

**Pavement Maintenance Project:** Street pavement maintenance is scheduled to take place between mid-April and early-May. The following areas will be receiving treatment:

- **Old Highway 91** from 400 East to Kwavasa Drive
- **Center Street** from 200 West to 200 East
- **Taviawk Drive** from 200 North to Wintook Drive
- **Kwavasa Drive** from Paiute Drive to Kayenta Parkway
- **Streets in and around the Unity Village subdivision**

Residents in these areas may experience brief access limitations or minor delays during this time. Thank you for your patience as we work to improve our city streets!

## WATER WISDOM

Help the City reach its goal to reduce water use by 10% over the next 10 years.

**Outdoor Tip:** In April, don't water more than twice per week. Don't water at all after a rain event. Even better to use a smart timer that does all this for you. Rebates are available.

Use a trigger nozzle on your outdoor hose, so that water only flows when you need it.

**Indoor Tip:** Take short showers instead of baths. Fix water leaks!

For more tips go to:
