

IVINS CITY™

Adopt-A-Block Program

Introduction

This innovative approach allows citizens to participate in Ivins City Adopt-A-Block Program. It offers civic-minded organizations an inexpensive project that gives members the satisfaction of contributing to their community.

The basics of the Adopt-A-Block Program are:

- ❖ An individual or group adopts a minimum of one block or half a mile on both sides of an incorporated Ivins City Street. Participants agree to pick up litter at least four times a year for a two-year period.
- ❖ An individual or group who volunteers for two years will be recognized with an Adopt-A-Block sign provided by the city. If participants wish to have a sign before the two-year commitment, the cost of signs is \$150 each. This cost includes the printed sign, pole and brackets.

In return, Ivins City will:

- ❖ Provide safety vests, equipment, and trash bags, upon request.
- ❖ Display an Adopt-A-Sign after a two-year commitment period.
- ❖ Yearly recognition in the Ivins City newsletter.
- ❖ Social media recognition.

Adopting a block will reinforce the importance of litter control. This Litter Prevention Program targets litter and illegal dumping throughout incorporated neighborhoods. The benefits to this program are a litter-free, more attractive community, recognition sign for the individual or group, and a feeling that the individuals involved are making a difference in their community.

If further information is required, please do not hesitate to contact:

Adopt-A-Block Coordinator Alysha Mortensen at (435)634-0689 or amortensen@ivinsutah.gov

Adopt-A-block Safety Tips

We appreciate all your service in our community
by volunteering with our Adopt-A-Block program.

Ivins City Public Works safety guidelines:

- ❖ Wear proper safety clothing/gear such as:

Safety vests	Long sleeve shirts
Gloves	Long pants
Protective shoes	Hat
Bugspray	Sunscreen

- ❖ Face oncoming traffic when near roadways, unless on a designated walking path.
- ❖ Vehicles associated with the litter pick-up should not be parked along the shoulders of the roadway unless no alternative parking is possible. Do not block traffic at any time.
- ❖ Do not cross the roadway unnecessarily. Islands in the middle of the roadways and roundabouts are cleaned up by Ivins City Parks Department and volunteers should avoid those high-risk areas.
- ❖ Stay alert. Be aware of your surroundings, beware of bicycle riders, dogs and other hazards.
- ❖ Do not trespass on private property.
- ❖ Do not pick up potentially hazardous material such as:

Heavy objects	Animal carcasses
Car batteries	Broken glass or porcelain
Needles or syringes	Other questionable objects
- ❖ Avoid overfilling trash bags.
- ❖ Work only during daylight hours and good weather conditions.
- ❖ Work in groups as much as possible.
- ❖ Trash should be disposed of. Use resources like your trash can, Ivins City Dumpster Day and where dumpsters permitted within Ivins City.
- ❖ Avoid construction sites, landscaper's work area and other potentially hazardous areas.
